

# CompleteCare Service Plan

## Service and maintenance plans for your Quantum Design MPMS3 System

Providing peace of mind service support plans beyond the 12 month new system warranty

Quantum Design UK and Ireland has introduced a new CompleteCare service and maintenance plan to support your system beyond its initial warranty period. Although chargeable, you can select one of 3 levels of service that match your service requirements ensuring that your system receives ongoing maintenance and support.

### CompleteCare at a glance:

- 3 levels of CompleteCare (Bronze, Silver and Gold) service and support cover available
- Extends maintenance support beyond the systems warranty
- Additional 1 year extended warranty available for new systems
- Local UK based service engineer
- All plan levels offer remote diagnostics (customer internet connection to system required) and e-mail/telephone support
- Gold level offers guaranteed response time for onsite service
- All levels include a 10% discount on the service visit daily rate

### Pricing Available On Request

If your system is no longer under warranty, you will require a one day chargeable site visit to assess whether your system is currently in good working order and can be supported.

After this visit we will issue a quotation for either:

- A CompleteCare support contract
- Any remedial work required to restore your system to good working order so that you can take advantage of a CompleteCare support contract

**For Service support quotations or general enquires, please contact the Quantum Design UK and Ireland Service Team at:**
